APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the place and manner of use of a portion of the waters of the Truckee River as heretofore granted under Claim 209, Truckee River Final Decree is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on July 14, 1997 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

Water measuring devices and totalizing meters must be installed and accurate records must be kept of the water diverted and placed to beneficial use.

A monthly report of the water diverted and placed to beneficial use must be submitted to the State Engineer and Federal Water Master on a quarterly basis within 15 days after the end of each calendar quarter.

This temporary permit is issued subject to the regulation of the irrigation season as established by the Federal Water Master.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.030 cubic feet per second, but not to exceed 5.08 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before:

Proof of completion of work shall be filed before:

Application of water to beneficial use shall be filed on or before:

Proof of the application of water to beneficial use shall be filed on or before:

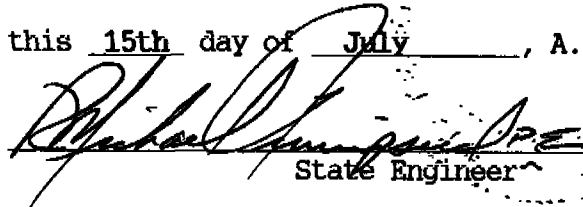

Map in support of proof of beneficial use shall be filed on or before:
